

# The Calibration Solution

## Color Legend

-  Blue – In-Lab Calibration Only
-  Green – On-Site Calibration Only
-  Yellow – Available Both In-Lab & On-Site

### Dimensional Calibration

-  Gage Blocks (Steel, Carbide, Ceramic)
-  Pin Gages & Plug Gages
-  Thread Plugs & Ring Gages
-  Calipers & Micrometers
-  Height Gages
-  Indicators & Test Indicators
-  Optical Comparators
-  Surface Plates

### Pressure Calibration

-  Pressure Gages (Analog & Digital)

### Electrical Calibration

-  Multimeters
-  Clamp Meters
-  Power Supplies
-  Process Calibrators
-  Loop Calibrators
-  Oscilloscopes
-  High-Frequency Equipment

### Temperature Calibration

-  Digital Thermometers
-  RTDs & Thermocouples
-  Temperature Controllers
-  Dry Block Calibrators
-  Environmental Chambers

## **Mass & Force Calibration**

- Precision Weights**
- Scales & Balances**
- Force Gages**
- Torque Wrenches**
- Torque Screwdrivers**

## **Additional Services**

- Preventative Maintenance (Cleaning/ Oiling)**
- Equipment Minor Repair / Evaluation**
- On-Site Calibration Programs**
- Asset Management Support**
- Calibration Certificates (ISO/IEC 17025 compliant)**
- Data Reporting & Recall Notifications**

## **Why Choose Us**

- Fast Turnaround Times**
- Experienced Technicians**
- Traceability to NIST Standards**
- Flexible On-Site Scheduling**
- Minimal Equipment Downtime**
- Exceptional Customer Service**
- Free Certifications online**
